### **DETAILED ACTION**

1. Claims 1 to 49 are presented for examination.

#### ***Response to Amendment***

2. The rejection of claim 1 under 35 USC 101 as being directed to non-statutory subject matter is **maintained**.

#### ***Response to Arguments***

3. Applicant's arguments filed 3-3-2005 have been fully considered but they are not persuasive.
4. In response to the arguments concerning the previously rejected claim the following comments are made: the amendment as filed does not overcome the 101 rejection of non-statutory subject matter of independent claim 1. The examiner disagrees with applicant's representative that the claim as amended is tied to technology art providing useful, concrete and tangible result since, the amendment is in the preamble and the preamble does not limit the claim. The examiner further contends that the body of the claim does not depend on the preamble for completeness and the body of the claim is not tied to a technology art producing a useful, concrete or tangible result.

***Allowable Subject Matter***

5. Claims 2 to 29 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

***Conclusion***

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
